

Title	Securities Disclosure and Trading Policy
Effective Date	October 4, 2017
Update Date	July 8, 2019

1.0 Policy Objective

S&P Global has a worldwide reputation for integrity and objectivity. With that reputation, there is a responsibility to deliver products and services in accordance with professional standards that are not influenced inappropriately by Conflicts of Interest. Allowing Material Non-Public Information to influence investments or investments to influence an Employee's role could be damaging to the reputation of S&P Global and our Employees, by calling into question the integrity of our products and services.

- This Policy may restrict the Holding and Trading of Securities to prevent Employees from making investments that are or have the potential to be Conflicts of Interest, whether real or perceived, by virtue of the Employee's role and responsibilities, and to eliminate even the appearance of impropriety in connection with an Employee's Trading in Securities of customers or business prospects.
- This Policy further mitigates risk by monitoring Investment Account activity.

This Policy is designed to promote compliance with applicable securities laws in all the jurisdictions in which S&P Global operates regardless of the fact that you may not be obliged by the laws of certain jurisdictions to provide information and take other steps as required by this Policy. In addition to the requirements of this Policy, separate Divisional Addenda apply to Covered Employees in each Division.

2.0 Who is Covered by This Policy?

This Policy applies to Employees who influence S&P Global products and services and/or who have access or potential access to Material Non-Public Information, in fact or appearance, by virtue of their role and responsibilities ("Covered Employees"). It also applies to the Immediate Family Members of Covered Employees. Each Division's management will define the conditions under which Workers Engaged Through Vendors may be subject to securities disclosure obligations. Covered Employees and Workers Engaged Through Vendors who are covered by the Policy will be notified by Securities Disclosure Compliance.

3.0 If You Violate This Policy

S&P Global is strongly committed to compliance with the laws and regulations in the jurisdictions in which it operates and to the internal policies that relate to them. In addition, Employees are expected to maintain the highest standards of ethical conduct. Breaches of these expectations can have serious consequences for S&P Global and its Employees. Failure by a Covered Employee to comply with this Policy, or any applicable law or regulation, may result in disciplinary action, up to and including termination of employment and/or could result in civil or criminal penalties imposed by a government agency or a court of law.

4.0 Policy Requirements

4.1 Initial Certifications

Each Covered Employee, within ten (10) calendar days of notification from Securities Disclosure Compliance, must complete the initial Certifications in the Global Employee Compliance Services system, ([GECS](#)), certifying that he or she has received, read, and understands this Policy and any applicable Divisional Addenda; recognizes that he or she must comply with this Policy and any applicable Divisional Addenda; will comply with all the requirements of this Policy and any applicable Divisional Addenda; and any other required Certifications.

4.2 Reporting of All Investment Accounts

Each Covered Employee, within ten (10) calendar days of receiving notification from Securities Disclosure Compliance must Report in [GECS](#) all Investment Accounts that the Covered Employee or an Immediate Family Member controls or has a Beneficial Interest in.

The Policy requires the initial and ongoing Reporting of all Investment Accounts. Exempt from this requirement are some 401k Investment Accounts and Defined Contribution Pension Plans in the U.K., and other foreign equivalents. Please note that Holding and Trading restrictions must be adhered to in all 401k Investment Accounts and Defined Contribution Pension Plans. Third-Party Discretionary Accounts and Blind Trust Accounts are permissible and must be reported to Securities Disclosure Compliance.

This Policy requires all Reporting to be done in GECS, the system of record.

4.3 Reporting of All Holdings

Covered Employees, within ten (10) calendar days of receiving notification from Securities Disclosure Compliance, must Report in [GECS](#) all Holdings for themselves and their Immediate Family Members.

The Policy requires the initial and ongoing Reporting of all Holdings in all Investment Accounts. Holdings that are not identified by a ticker, a CUSIP or an ISIN are considered Private Investments and are Reportable using a Private Investment Disclosure Form.

Covered Employees are required to notify Securities Disclosure Compliance within ten (10) calendar days of any change in Holdings that is not a consequence of a Transaction (e.g., receipt of Securities as a gift or inheritance, through marriage, or as part of compensation such as stock options or restricted stock).

This Policy requires all Reporting of Holdings to be done in GECS, the system of record.

4.4 Electronic Brokers (U.S.) Employees

In order to help U.S. based Covered Employees fulfill the initial and ongoing Reporting requirements of the Policy and any Divisional Addenda, S&P Global has identified certain broker-dealers (“Electronic Brokers”) that feed Investment Account activity directly to GECS. U.S. based Covered Employees and their Immediate Family Members are required to use these Electronic Brokers.

Within thirty (30) calendar days of receiving notification from Securities Disclosure Compliance, Covered Employees and their Immediate Family Members must transfer their Investment Accounts to an Electronic Broker and designate the Investment Account as an S&P Global Investment Account.

4.5 Trade Confirmation (Non-U.S. Employees or holders of accounts not covered under 4.4)

Some types of Investment Accounts may be exempt from the requirement to use an Electronic Broker, including the S&P Global Employee Stock Ownership Program; non-brokerage mutual fund accounts at mutual fund companies, holding only Mutual Funds; DRIPs; and Blind Trusts. Furthermore, while Electronic Brokers are available outside of the U.S., Covered Employees outside the United States are not subject to the requirements set forth in section 4.4 above. If a Covered Employee is not using an Electronic Broker, within ten (10) calendar days following execution of a Transaction the Covered Employee must manually enter broker confirmations for all Transactions and Report all changes within Investment Accounts or Holdings and those of Immediate Family Members. The Covered Employee must also upload Investment Account statements onto the GECS site on a monthly, quarterly, bi-annual or annual basis, depending on the account type. Transactions resulting from a Covered Employee’s payroll contributions to the S&P Global Employee Stock Purchase Plan do not require Reporting.

S&P Global reserves the right to monitor Covered Employee and Covered Employee-related Accounts for up to thirty (30) calendar days after termination of employment.

5.0 Ongoing Requirements

Within thirty (30) calendar days of the end of the second and fourth calendar quarters, Covered Employees must complete the bi-annual Certifications in GECS with respect to all Investment Accounts and Holdings as of the end of those periods, and all Transactions during those periods, for themselves and their Immediate Family Members.

Covered Employees must also acknowledge that they have received, read, and understand the Securities Disclosure Policy and any applicable Divisional Addenda; recognize that they must comply with this Policy and any applicable Divisional Addenda; and have complied with all the requirements of this Policy and any applicable Addenda at all times throughout those periods.

5.1 Pre-Clearance or Pre-Approval

The Policy requires that prior to Covered Employees or Immediate Family Members placing a Trade in an Equity, Fixed income Security, or Private Investment, Covered Employees must Pre-Clear the Trade through GECS. Pre-Clearance is designed to prevent trading in Securities that could give even the appearance of impropriety when the Covered Employee may influence S&P Global products and services or have access to Material Non-Public Information related to such Securities.

Before Pre-Clearance for a Trade is granted, the request will be reviewed by the Trade Approver, generally the first level manager of the Covered Employee and then Securities Disclosure Compliance. Pre-Clearance for a Transaction is valid from receipt of approval for the remainder of that same trading day plus three additional trading days. Approved trades not executed within this timeframe require a new Pre-Clearance request and approval.

Prior to a Covered Employee or Immediate Family Member executing a Trade in a transaction where a ticker, ISIN or CUSIP number is not available, the Covered Employee must obtain Pre-Approval using a Private Investment Disclosure Form.

Please note, Appendix B to this Policy provides a non-exhaustive list of Holdings and Investment Account types, including certain specific examples of Holdings where pre-clearance of Trades is not required. When in doubt please contact Securities Disclosure Compliance.

5.2 Restrictions Applicable to S&P Global Securities

Pre-Clearance Required. With the exception of Transactions resulting from a Covered Employee's payroll contributions to the S&P Global Employee Stock Purchase Plan ("ESPP"), any Transactions in S&P Global Securities, including the sale of restricted stock or the exercise and/or sale of options, require Pre-Clearance (See Appendix C for more details).

No Speculative Trading in Company Securities; No Hedging of S&P Global Securities. Speculative trading in S&P Global Securities is prohibited, including short sales and derivative transactions such as puts, calls, swaps and collar arrangements. The prohibition on short sales means that a Covered Employee may not sell S&P Global Securities if the Covered Employee (i) he or she does not then own the securities; or (ii) he or she fails without good reason to deliver the certificates for the Securities within 20 days after the sale or to mail them for clearing within five days after the sale.

The prohibition on speculative Trading also means that hedging transactions involving S&P Global Securities are prohibited. "Hedging" refers to any strategy to offset or reduce the risk of

price fluctuations in S&P Global Securities or to protect, in whole or in part, against declines in the value of S&P Global Securities.

No Margin Accounts for S&P Global Securities. Because securities held in a margin account may be sold at a time when a Covered Employee is in possession of Material, Non-Public Information about the Company, no S&P Global Securities may be held in a margin account, program trading account or any other account that could cause S&P Global Securities to be subject to a margin call, or otherwise be available as collateral for a margin loan.

No Pledging of S&P Global Securities. No S&P Global Securities may be pledged or otherwise used as security for a loan.

No Blind Trusts for S&P Global Securities. Because trading in S&P Global Securities held by a Blind Trust could take place without preclearance and/or during a Closed Window, Covered Employees may not hold S&P Global Securities in a Blind Trust. This prohibition does not apply to securities of other companies that may be eligible to be held in a blind trust for purposes of compliance with a Divisional Addendum to this Policy.

6.0 Securities Disclosure Profile – Guidance on Trading Restrictions

Covered Employees are assigned a Securities Disclosure Profile based on the following criteria:

- (1) Their influence on S&P Global products and services, in fact or appearance, by virtue of their role and responsibilities, and/or
- (2) Their access or potential access to Material Non-Public Information, in fact or appearance, by virtue of their role and responsibilities.

The Securities Disclosure Profile Level classifies Covered Employees by their influence on S&P Global products and services and/or their degree of access to Material Non-Public Information to determine applicable Restrictions. Covered Employees may review their specific Level and Security Restrictions by logging into [GECS](#). Covered Employees will find their Security Restrictions within the Active Group Assignment(s) Box, located on their individual dashboard.

Level	Guidance on Security Restrictions
Level 1	Employees in a senior leadership position who influence the products and services of S&P Global, and/or who have access or potential access to Material Non-Public Information.
Restrictions (L1)	May hold non-Restricted Securities, and sell with Pre-Clearance, may not acquire, hold, control, trade, sell or otherwise possess a Beneficial Interest (including short sales) in any Restricted Securities.
Level 2	Employees who influence the products and services of S&P Global and/or who have access or potential access to Material Non-Public Information.
Restrictions (L2)	May hold non-Restricted Securities, and sell with Pre-Clearance, may not acquire, hold, control, trade, sell or otherwise possess a Beneficial Interest (including short sales) in any Restricted Securities.
Level 3	Employees who do not influence the products and services of S&P Global but have access or potential access to Material Non-Public Information.
Restrictions (L3)	May hold any Securities and sell with Pre-Clearance, may not acquire any Restricted Securities.
Level 4	Employees who do not influence the products and services of S&P Global and do not have access to Material Non-Public Information.
Restrictions (L4)	No specific Security Restrictions, may hold and sell with Pre-Clearance.

7.0 Restrictions

Security Restrictions are defined by each Division to avoid potential Conflicts of Interest related to the characteristics of each Division's products and services. If a Covered Employee, as a result of Security Restrictions, holds a Restricted Security, the Covered Employee will receive a notice to divest the Restricted Security.

7.1 Restricted Security Lists

Division specific Restricted Security Lists include companies, issuers or other entities whose businesses lie principally in Sectors in which we rate, assess prices or do business. Restricted Security Lists may change frequently.

Management reserves the right to implement additional Restrictions on all or specific Employees, beyond what are mentioned in this Policy, as required by Division needs.

7.2 Divestment

If a Covered Employee or an Immediate Family Member holds any Securities that they are Restricted from holding, the Covered Employee or an Immediate Family Member must take action to divest those Securities within fifteen (15) calendar days of being notified by Securities Disclosure Compliance. Please note that before divesting a Security, the Covered Employee must submit a Pre-Clearance request and receive approval for the Trade.

If there are any changes to the Restricted Security Lists that affect a Covered Employee's Holdings or those of an Immediate Family Member, the Covered Employee will be notified and must take action to divest the Restricted Security within fifteen (15) calendar days of notification.

If a Covered Employee or an Immediate Family Member receives a Restricted Security as a gift, an inheritance, or through any other involuntary action, the Covered Employee must inform Securities Disclosure Compliance and take action to divest the Restricted Security within fifteen (15) calendar days of receipt.

Please note that before completing any of the actions above, the Covered Employee must submit a Pre-Clearance request and receive approval.

7.3 Knowledge of Conflicts of Interest

Covered Employees are expected to act consistently with the policies and regulations to which they are subject. As such, even if a Security is not Restricted from the Covered Employee, the Covered Employee and his/her Immediate Family Members must not Trade or Hold that Security if:

- (a) he/she knows or has reason to believe that the Security should be a Restricted Security; or
- (b) he/she knows or has reason to believe that there is an actual Conflict of Interest with Trading or Holding the Security.

7.4 Blackout Periods

Management reserves the right to prohibit Trading in a particular Security for a designated period of time for all or a subset of Covered Employees and their Immediate Family Members; this includes Securities not on the Restricted Security Lists.

7.5 1% or More of Public Companies

All Covered Employees and their Immediate Family Members are prohibited from holding Securities that constitute 1% or more of the outstanding shares of any public company without specific written approval from Securities Disclosure Compliance.

7.6 Short-Term Trading Limitation: Minimum 30 Day Holding Rule

Having made an investment in a Security or a derivative of a publicly traded company or fund, a Covered Employee or his or her Immediate Family Member may not take a profit from the investment within thirty (30) calendar days of the original Trade. Covered Employees may sell a Security at any time if the sale price is lower than the original purchase price (i.e., at a loss on the original investment, either through a direct trade, stop loss, or Good To Cancel order). Covered Employees may not buy back into the position within (30) calendar days of the sale if the position sold was not held for at least (30) calendar days.

In the event of violation of the Minimum Holding Period, Compliance may request that all profits realized as part of the trade be transferred over to a charity.

For purposes of this rule, sales shall be computed on a Last In, First Out (“LIFO”) basis. Exceptions to this rule are shares acquired under employee compensation plans and employee stock ownership plans as well as trades in Third-Party Discretionary Accounts.

8.0 Our Commitment to Your Privacy

As part of this Policy, Covered Employees are required to Report certain private information about investments and those of Immediate Family Members. The information will be collected and used only to monitor compliance with this Policy. Compliance staff who have authorized access to the information will undertake efforts to hold this information in confidence, but it may be made available to the U.S. Securities and Exchange Commission (“SEC”) or other national regulators, to approved third parties as appropriate to validate compliance with the Policy, to third parties in connection with an investigation of a breach of this Policy, or to third parties, to resolve disputes in which such information may be relevant.

The information collected in connection with this Policy is maintained within the system of record, Global Employees Compliance Services (GECS). Covered Employees based outside the U.S. should note that the U.S. does not have data privacy laws as stringent as those in, for example, the European Union, but S&P Global has taken the necessary measures to ensure that the information transferred to the U.S. is adequately protected, including by entering into the necessary data transfer agreements. The information is stored consistent with the [Records Management Policy](#)

Non-U.S. Covered Employees and their Immediate Family Members may have rights, under local data protection law, to be provided with information about use by S&P Global of information about them, including copies of the information, to require any inaccurate information about them to be corrected or deleted and, in some circumstances, to object to the processing of their information. Covered Employees and Immediate Family Members wishing to exercise these rights should contact Securities Disclosure Compliance.

In certain non-U.S. jurisdictions, Covered Employees may be required to confirm that they agree to the collection and use of personal information as described in this Policy and/or that Covered Employees will obtain the equivalent agreement of Immediate Family Members before providing their information to S&P Global. This should not be taken as indication that Covered Employee or Immediate Family Member agreement is necessary as a matter of law in any particular jurisdiction.

9.0 Exceptions

Securities Disclosure Compliance in coordination with the Divisions, may, in limited circumstances, grant an exception to this Policy's requirements in writing on a case-by-case basis and as permitted under applicable laws, rules and regulations. If you believe you qualify for an exception, please contact Securities Disclosure Compliance in writing for instruction on how to proceed.

10.0 Contact Names for Further Information
